

Padstow's Farewell

Tenor 1 Well it's time to go now

All Haul away your anchor, Haul away your anchor,
It's out sailing time.

Tenor 2 Put her on her course now.

All Haul away your halyards, Haul away your halyards,
It's out sailing time.

Baritone Put some sail upon her.

All Haul away your foresheets, Haul away your foresheets,
It's out sailing time.

Bass Waves are surging under.

All Haul away down channel, Haul away down channel,
On the evening tide.

Tenor 1 When your sailing's over,

All Haul away for heaven, haul away for heaven,
God be on your side.

Tenor 2 Well, it's time to go now.

All Haul away your anchor, haul away your anchor,
It's our sailing time.
